Join us in our Italian inspired courtyard or now it's a little cooler, by one of our open fires or log burners. There are several 'sofa' areas to book out and relax in while the afternoon drifts by. Whether it's a special occasion or just a treat for yourself... book in, relax and let us spoil you and your guests.

All produce is home-made or oven baked and we have a fantastic range of coffees, teas and fizz!

Afternoon tea to include...

Selection of sandwiches (*gf option available*)

Home baked scone, clotted cream, jam

Carrot cake, cream cheese frosting

Coconut panna cotta, mango gel

Chocolate brownie

Oven baked sausage rolls

A wide range of teas and coffee

Prosecco, sparkling wine or Champagne

Please call the site for availability as booking and pre-orders are required. £22.50 per person or £31 with Prosecco (*other packages available on request*).
